

NORTH LAWNDALE  
COLLEGE PREP

Dear NLCP Christiana Parent or Guardian,

Firstly, we hope this letter finds you and your family well. We know that some of our Phoenix Family members are essential workers and therefore unable to social distance. You are top of mind and we hope you are staying safe. For all who are able to social distance, please do so. If you must go out practice safety protocol: remain 6 feet from other individuals, wear a mask, wash your hands thoroughly and frequently.

Although we are distant for now, our goals for your scholars remain. We want them to continue on their paths to college and lives as transformational leaders. Enclosed in this mailing is the Remote Learning plan for your scholar's grade level. Please ensure that your scholar is engaging academically while we are social distancing. Scholars will be held accountable for academic progress in the gradebook during Remote Learning. Currently, we are scheduled to return on May 1. If this changes, we will communicate.

Here are some tips and resources to help your scholar be successful in their academics right now:

1. Make sure they are accessing their NLCP email daily. Scholar's NLCP email is a google account. Their email address is: "[last.firstXX@students.nlcphs.org](mailto:last.firstXX@students.nlcphs.org)" with the "XX" being the scholar's graduation year. If your scholar needs help with their email, please have them reach out to their Counselor or Ms. Klaus.
2. The Remote Learning Plan and other resources are located at our student portal:  
<https://sites.google.com/view/nlcpstudentportal/>
3. If your family does not currently have internet access, see resources here:  
<https://www.isbe.net/Pages/ContinueEDResources.aspx>

We know that some NLCP scholars do not have access to the technology they need to be most successful in Remote Learning. NLCP is working in conjunction with CPS and our philanthropic supporters to help our students gain access to the technology they need to successfully complete their Remote Learning.

We will begin loaning tech to students on Monday April 13, beginning with priority based on grade level and student needs. We will continue to loan tech as it becomes available to us. **You will be contacted when your tech is ready for pick up.** Therefore, it is very important that we have your updated contact info, including email. If you need to update contact info, please call, text or email us. Also, if you know other Phoenix families who have new contact info and are maybe not receiving this mailing, please help us get their contact information as well! We want to remain connected with all of our scholars and families.

While some students are waiting for technology, we will be mailing home hard copies of learning opportunities. Students can take a picture of this completed work and email to teachers for credit. Students can also continue to complete work on their cell phone, as many have been doing, until tech becomes available.

We know that this interruption to our normal schedule is troublesome to all, but mostly for our Seniors. Our College Team is committed to providing college counseling from a distance. NLCP is committed to celebrating our Seniors. Tentative dates: Prom on June 27 and Graduation on June 29. We will update with more details as soon as we are able.

We are looking forward to enrolling the Class of 2024 and will be accepting 10th & 11th grade transfers for next school year. Current scholars who refer to new scholars will receive a discount on student fees. Make sure the new scholar names you as their reference at one of our Registration dates: April 22 @ 4-7pm, May 22 @ 9a- 12pm, or June 22 @ 1-4pm.

We are available at the contact info below. We also want to offer parents an opportunity to meet with us virtually during the Remote Learning period. We will be hosting optional Parent Town Halls:

- Ms. Klaus' Townhall: Tuesdays 2:00- 2:30pm Join:  
<https://zoom.us/j/338991889?pwd=ak1rRkNSbks5T1RoUDJQNVPFNIUT09>  
**MeetingID: 338-991-889**
- Ms. Azadi's' Townhall: Wednesdays 6:00- 6:30pm  
<https://zoom.us/j/896120654>  
**Meeting ID: 896 120 654**

This is an unprecedented time of change in which we are all challenged. We know the Phoenix Family will rise, because that is what we, as Phoenix, always do. Please do not hesitate to reach out to us with any questions, concerns, or support you need.
