Hello NLCP Parents and Guardians, NLCP is excited to return to campus this fall! We understand that you may have questions about how we are preparing to receive your scholars. In this newsletter and throughout the month of August we plan to communicate with you as much as possible to create clarity for you and your scholars! We are committed to the safety and well being of our community as well as your scholar's education.

**Collecting your feedback:** As we prepare for this school we are being intentional in our communication with staff and families about our plans. We want your feedback as soon as possible so we can make the necessary plans and adjustments for SY 20-21. Please take **3 minutes** to complete this survey below

*Below are a few important updates for your own knowledge!*

### COVID-19 Safety Implementation

We are actively planning to best ensure student and staff safety. Below is a snapshot of some of the new systems and structures being put in place:

- Staggered start times to limit the amount of students gathering
- Temperature checks upon entry
- Classes of 15 students or less
- Desks in classrooms to allow for social distancing
- Mandatory mask usage for all students and staff
- Additional lunch periods to allow for social distancing
- Hand sanitizing stations in the building

## NLCP PARENT NEWSLETTER

- Everyone must wear masks at all times
- All persons entering the building must have their temperatures checked
- Class sizes and building access plan cuts class size and direct instructional days in half
- We will be communicating and issuing a calendar that has our students broken down to an Red and Yellow group where the week looks as follows:

Yellow-remote	Red-remote	Yellow-remote	Red-remote	

- Red/Yellow Scholars will attend school in person two days and attend class virtually for 2 days
- We will have a 1:1 tech access model where ALL scholars have a laptop
- Passing periods will be staggered to maintain social distancing during non-virtual days
- Desks will be set up to maintain social distancing and corresponding safety equipment installed
- Scholars will be completing assignments remotely using rigorous online learning programs
- Teachers will provide office hours and support weekly to ensure scholars receive the support
- Staff and students will be required to have no-contact temps taken daily
- The cleaning schedule will be modified significantly to maximize disinfecting
- HEPA Air filters have been ordered for every classroom and office space

**Staying Connected:** We know there are lots of questions floating so we will be providing parent townhalls. All parent townhalls will take place on ZOOM. You will need to download the zoom app on your cell phone or computer.
